We want to thank the 100+ members who attended the information meetings on April 4 and April 16<sup>th</sup>. The meetings have generated interest, concern and action by the members. We are currently expanding the board membership and the immediate task is to determine short term and long term goals with a plan of action for each.

If you have volunteered to help, please continue to check this website regularly, and also the announcement board as you come into the center. **Please make sure we have your email address!** You will be contacted to help very soon. If you are interested in adding your name to the list- please fill out a blue form at the desk, or respond to the contact email on this website and put in the subject line "I want to help CVCC".

We will keep the members posted on any major changes or developments in our situation as news develops.
